The background of the slide is a composite image. On the right side, there is a photograph of a green roller coaster track curving upwards against a blue sky with white clouds. On the left side, there is a comic book illustration of the Hulk, showing his green skin, yellow eyes, and a fierce, roaring expression. He is wearing his signature purple bandana. The text is overlaid on a dark blue rectangular area that has an orange triangle in its top-left corner.

WHO WE ARE

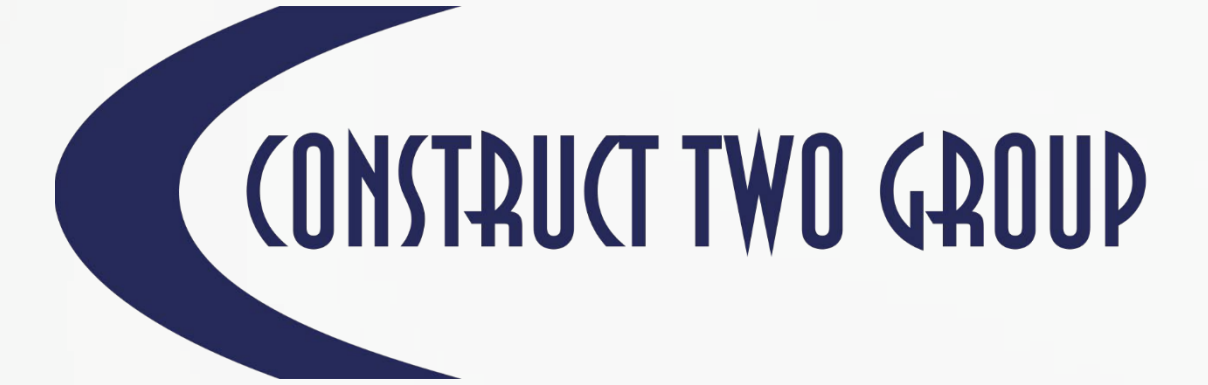

CTG WAS ORIGINALLY ESTABLISHED AS A FORWARD-THINKING CONSTRUCTION FIRM, SPECIALIZING IN CUSTOM SOLUTIONS FOR CLIENTS. CTG CONTINUES TO LEAD BY OFFERING PREMIERE CONSTRUCTION SERVICES IN ALMOST EVERY SECTOR OF DEVELOPMENT.

WE BUILD TOMORROW

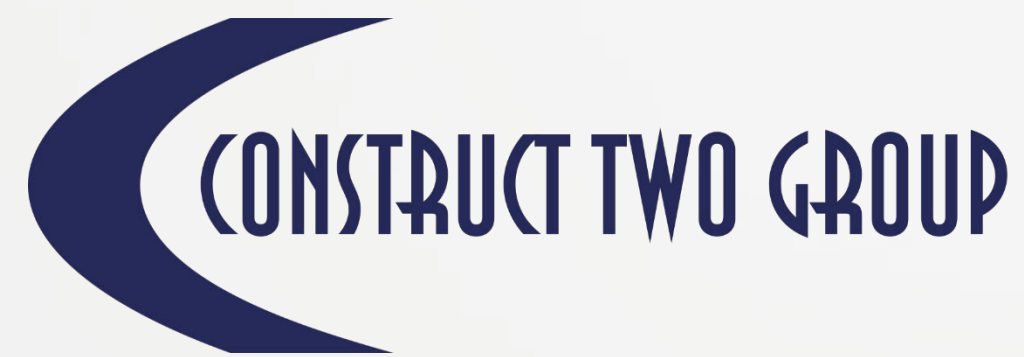

As an award-winning firm, CTG's stellar team possess more than 200 years of design, construction, financing, management, operations and development experience. CTG is the nation's largest African American owned development firm with more than **\$1 billion** in commercial, education, university, entertainment, transportation and housing projects completed to date.

WE BUILD TOMORROW

CTG has a unique perspective as a developer and construction company. CTG is a privately owned, Florida based development and construction company. Since being founded 1990, CTG has excelled at providing innovative solutions, excellent customer care, alliances and technology.

CONSTRUCTION DIVISION

CTG continues to lead by offering premiere construction services in almost every sector of development. In today's highly competitive environment, it is simply not enough to deliver a project on time and on budget. CTG has built its reputation as a leading commercial general contractor by exceeding their client's expectations and fostering lasting relationships. The company has demonstrated this ability with over three decades of successful contracting across almost every type of industry.

PROGRAM MANAGEMENT

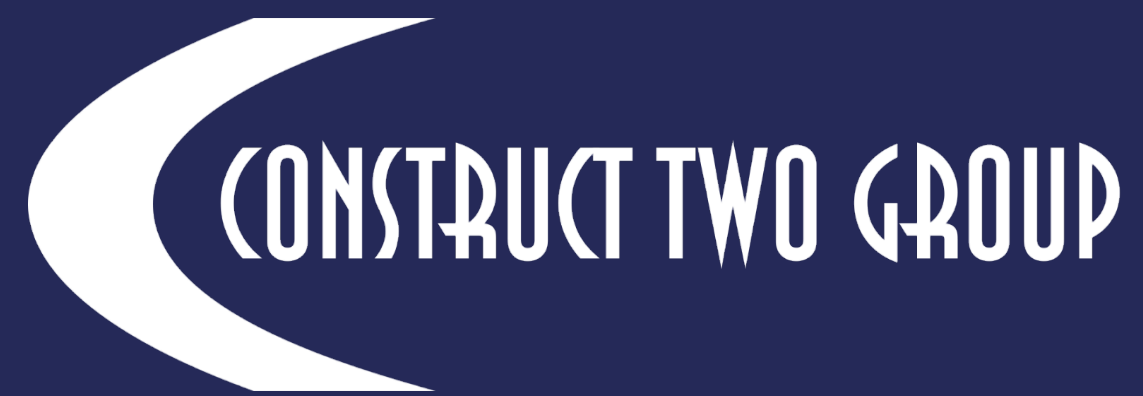

CTG seeks to get involved early in the design phase so that we can manage the project more efficiently, provide effective building solutions, and identify challenges early on to mitigate design changes after construction commencement. This involves detailed pre-construction planning crucial to successful construction and on-time delivery and allows the client and team a clear pathway.

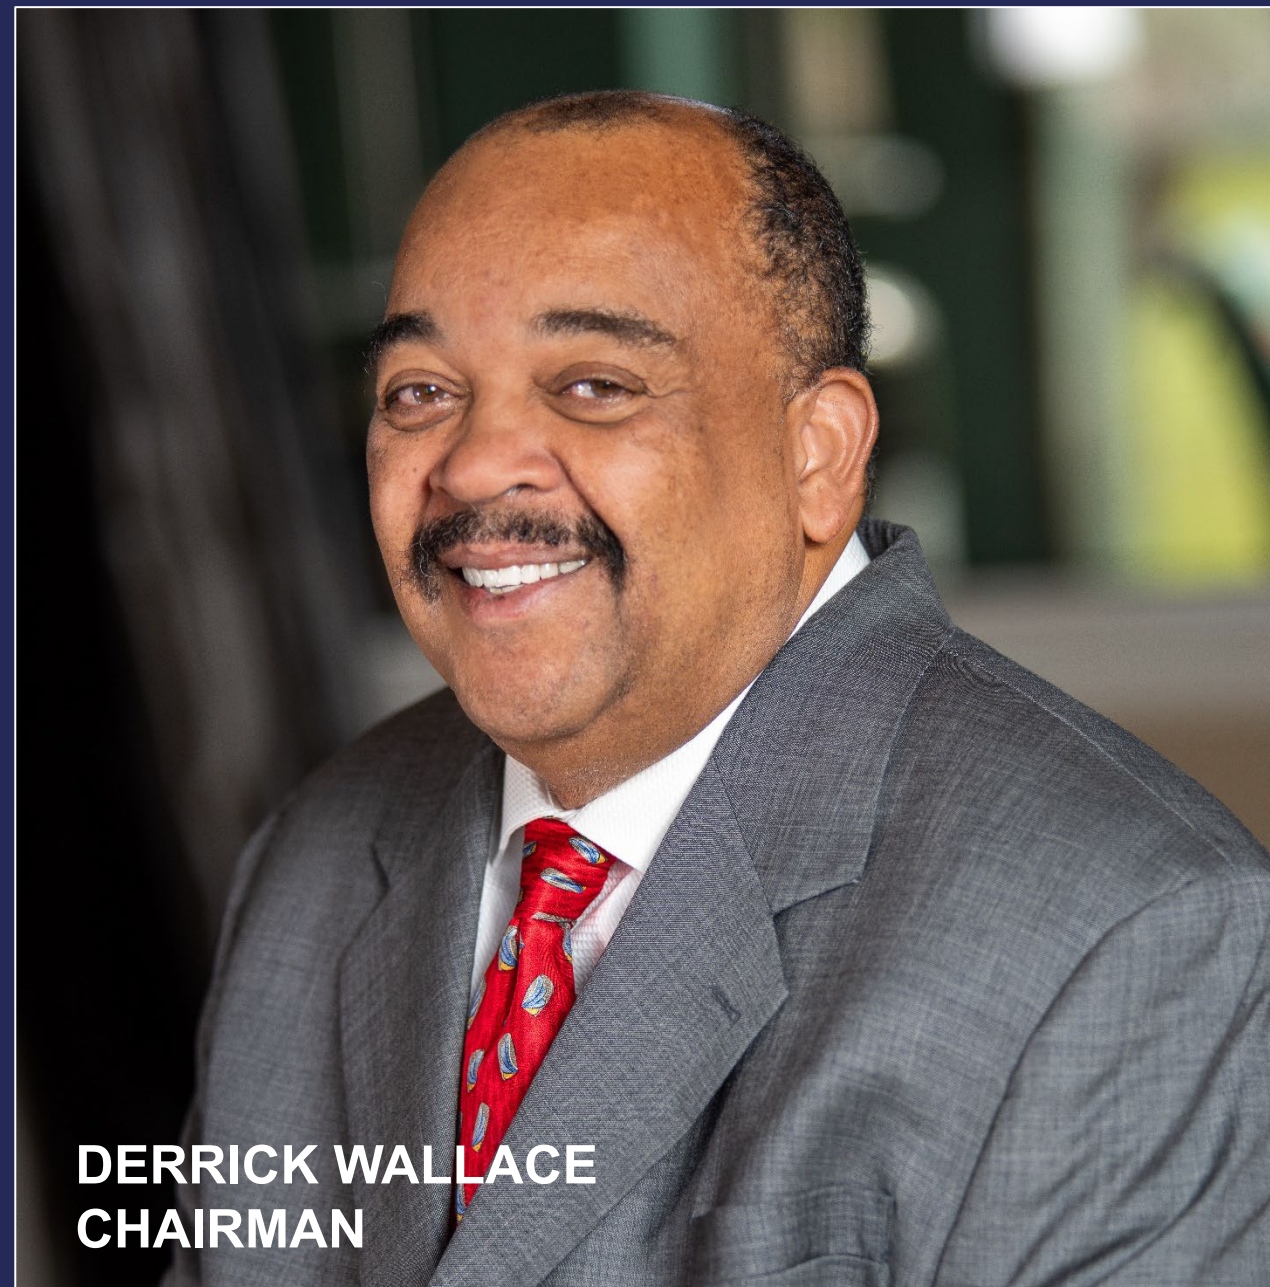

OUR TEAM

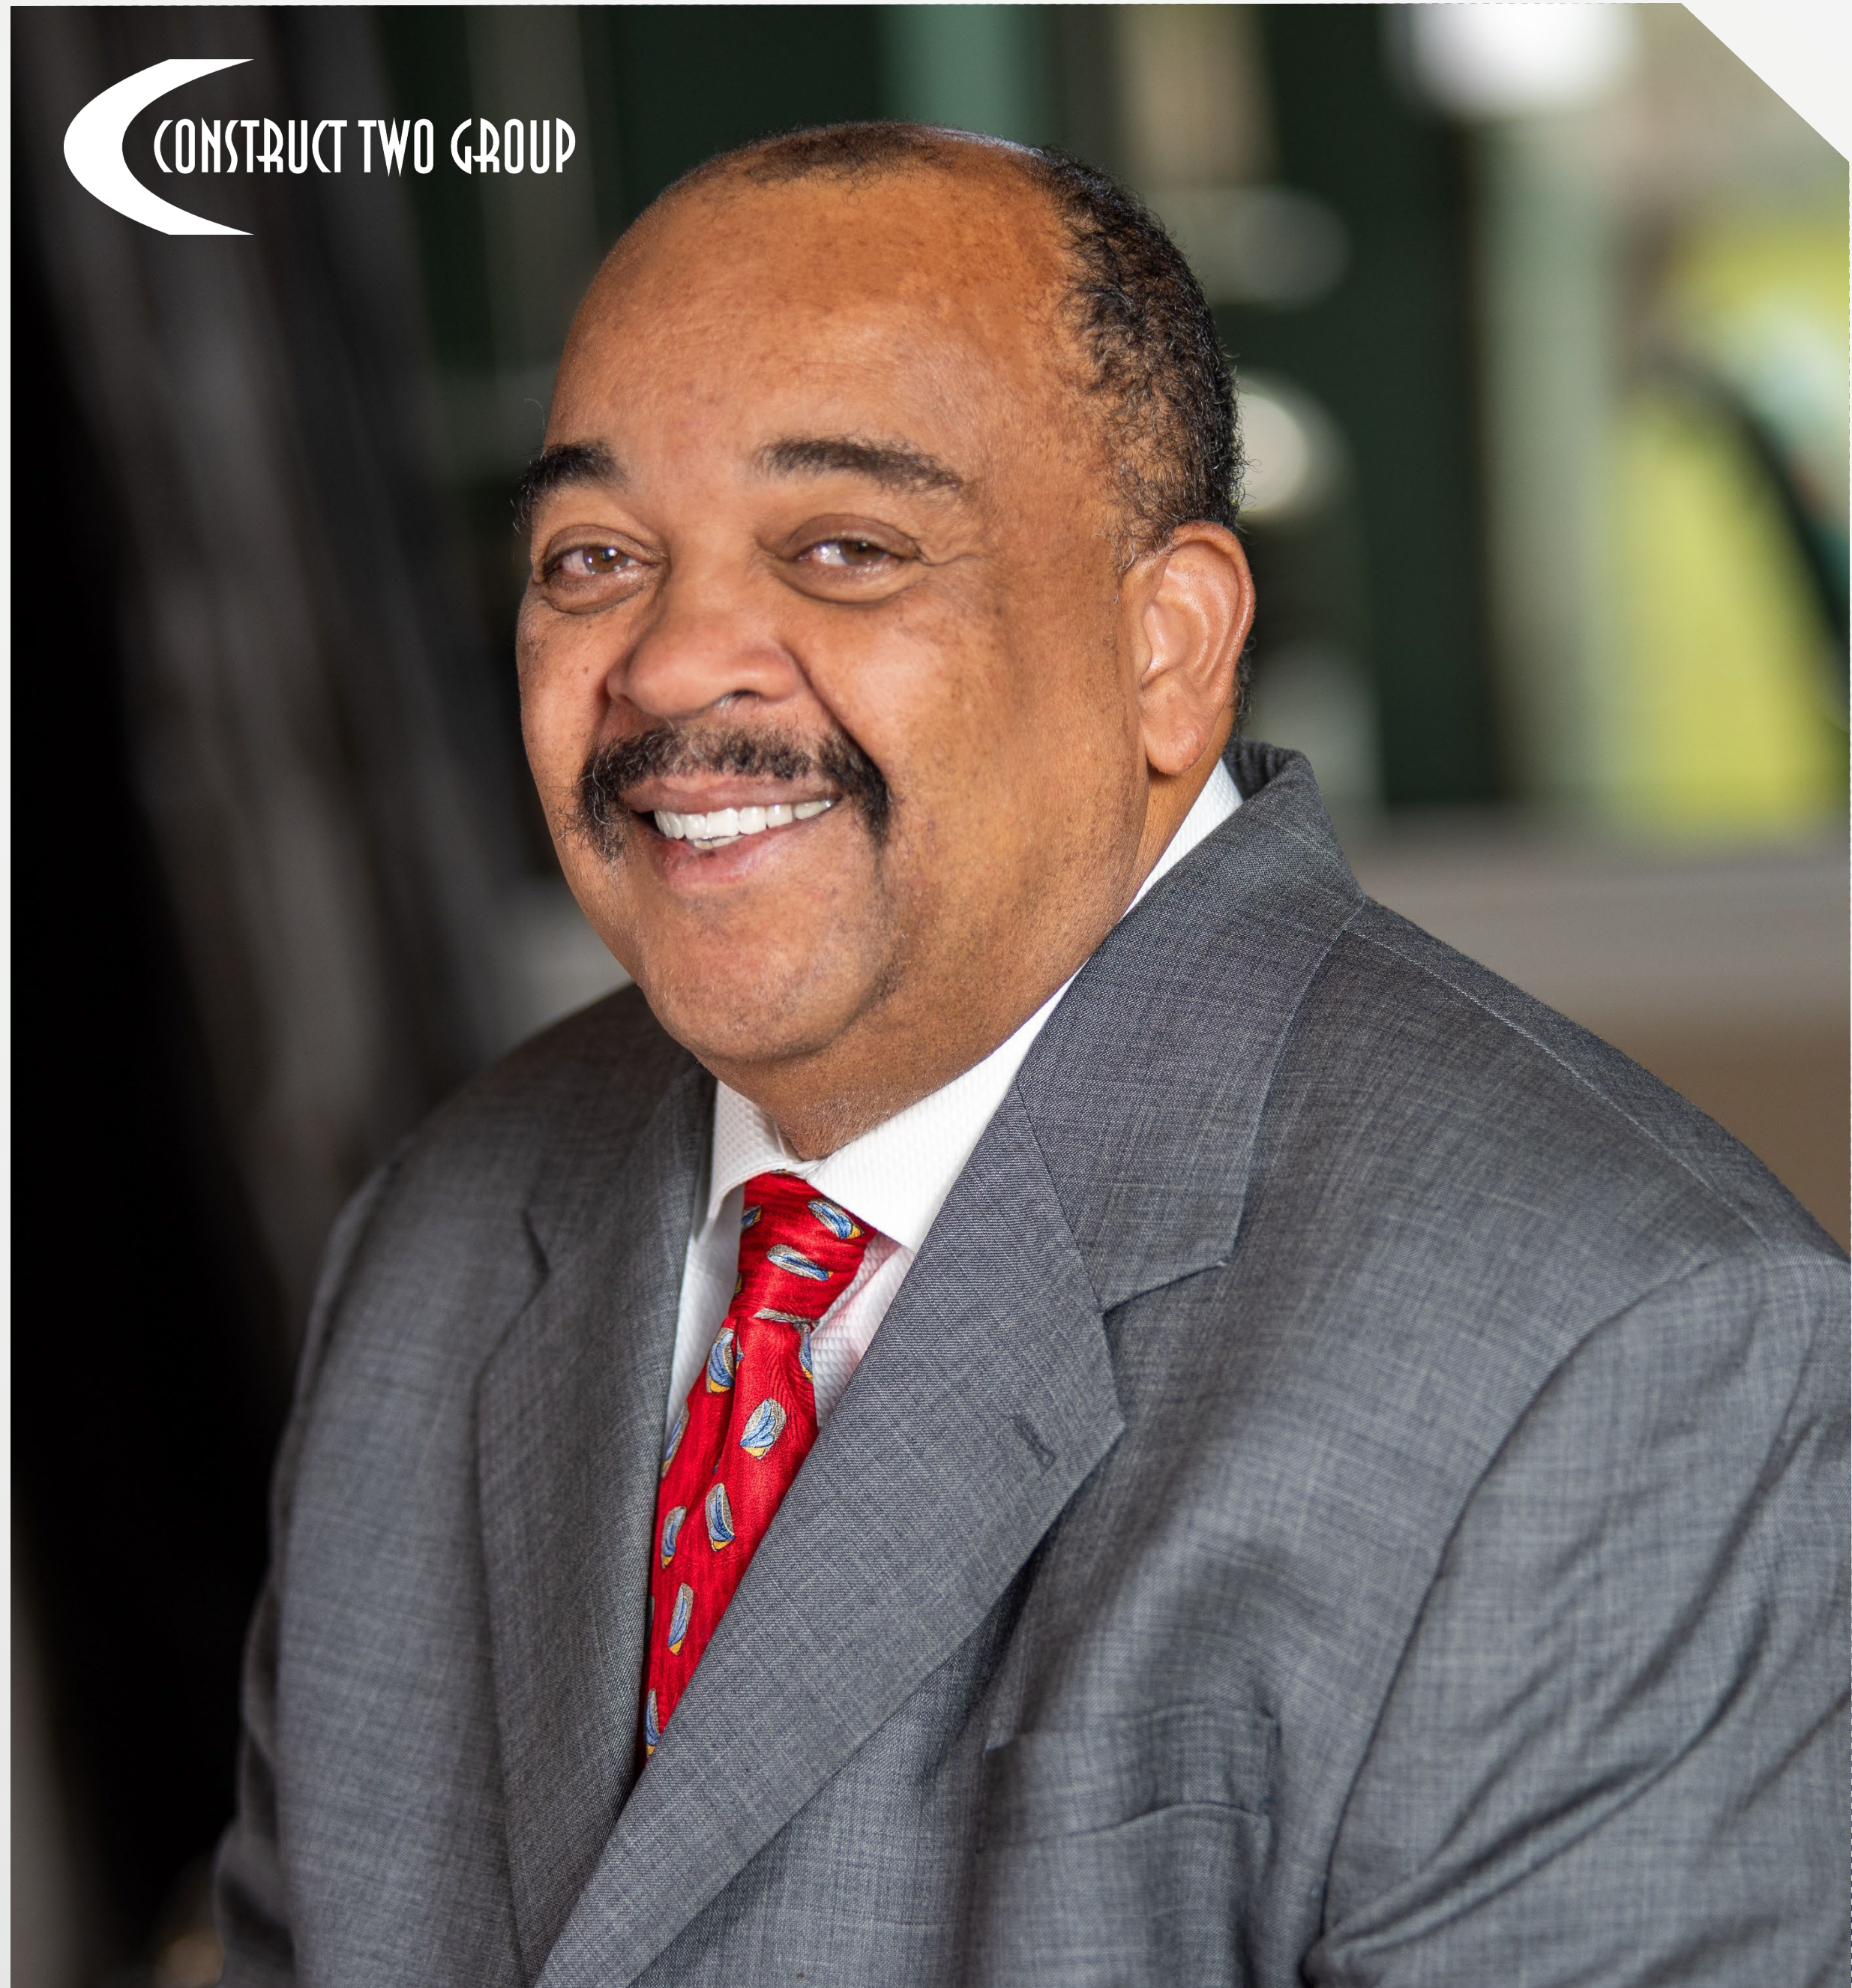

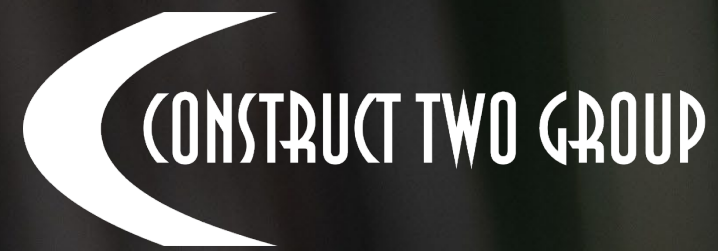

CTG'S STELLAR TEAM POSSESS MORE
THAN 200 YEARS OF DESIGN,
CONSTRUCTION, FINANCING,
MANAGEMENT, OPERATIONS AND
DEVELOPMENT EXPERIENCE.

CTG HAS ASSEMBLED A WINNING TEAM WITH UNMATCHED EXPERIENCE IN CONSTRUCTION FOR THE SUCCESSFUL COMPLETION PROJECTS.

OUR TEAM INCLUDES INDIVIDUALS WHO HAVE WORKED ON NUMEROUS MAJOR PROJECTS. THESE PAST ACHIEVEMENTS ENABLES OUR TEAM TO WORK SEAMLESSLY TOGETHER AND AVOID LEARNING CURVES THAT CONSUME VALUABLE TIME IN THE PROJECT SCHEDULE AND THIS INCREASES EFFECTIVENESS, AS BEING ON TIME AND WITHIN BUDGET IS OF GREAT IMPORTANCE.

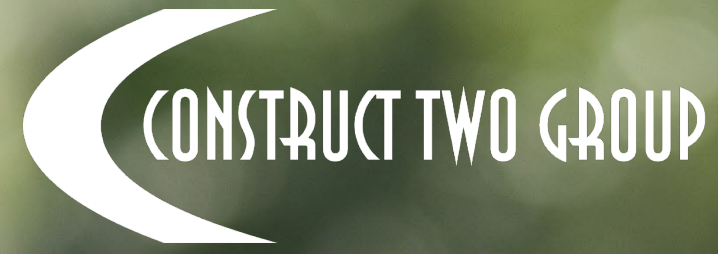

DERRICK WALLACE

CHAIRMAN AND FOUNDER

Mr. Wallace is the Chairman of Construct Two Group (CTG). The firm is creating, sustaining and transforming the future through innovative approaches to private-public partnerships and unique developments for public, private and non-profit clients.

Under Mr. Wallace's leadership, CTG has more than \$1 billion in commercial, education, university, military, municipal and industrial/transportation projects completed to date. CTG is an industry leader in development, construction, financing, operations and management. CTG has a unique perspective as a developer and construction company, along with our innovative solutions, excellent customer care, alliances, and technology we seek to ensure success and maximize the value for our clients, owners, partners and employees.

Mr. Wallace is a hands-on leader and continues to serve as project executive on many of CTG's construction projects. In this role, he has challenged his project teams to provide quality services for a significant number of award-winning projects over the past 30 years.

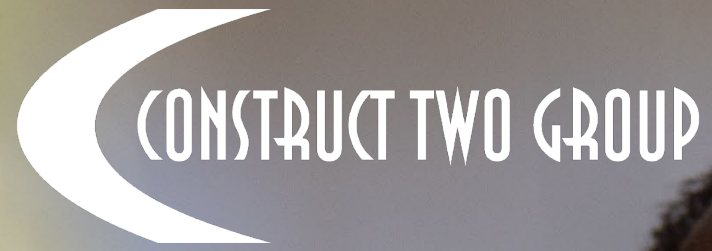

CALVIN WOOLFOLK

PRESIDENT

Mr. Woolfolk brings 34 years of experience with a solid track record of successful projects. As President of our team, he oversees project operations and administration. Mr. Woolfolk promotes effective operations management maximizing available resources and stressing the importance of open communications with the owner and design team members.

Mr. Woolfolk has demonstrated expertise in safety and orientation meetings, conducting field inspections to oversee project completion with an emphasis on punch list resolution, closeout documentation, consistency with commitments and conflict resolution, cost estimation, design management, project management and scheduling. These proven abilities will deliver your construction project within budget and schedule and assure you of a quality project completed timely and economically.

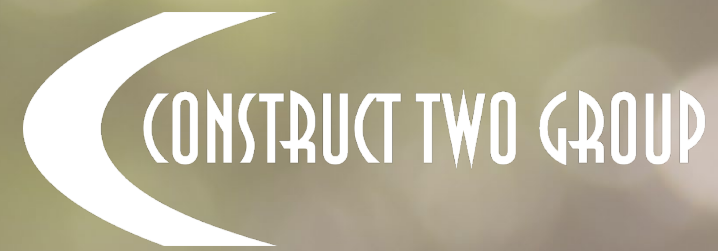

SAUL RENTZ

PROJECT EXECUTIVE

Saul Rentz has over forty-five years of experience in the construction industry navigating all aspects of the trade, including general contracting, construction management and sub-contracting. He has extensive experience in designing, estimating, scheduling and constructing various types of structures, including residential, commercial and industrial.

Mr. Rentz has a track record of success in unbundling GMP packaging into small-scale project components and scopes to provide greater opportunities to small businesses. He has experience in setting goals to estimate the percentage and value of the scopes that could be awarded to small businesses and monitoring change orders and directives requested by CM@R that impact small business subcontractors at the first or second tier.

TERRENCE HIGHTOWER

PROJECT MANAGER

Mr. Hightower has over two decades of being a perfection-aiming construction project manager with 26+ years of experience with commercial and large residential building projects.

Mr. Hightower has experience supervising all construction activities at commercial and residential project sites, ensuring occupational health and safety regulations were being complied with, delegated building tasks and construction responsibilities as necessary, and managing an on-site workforce of over 50 employees, including engineers, steel workers, and laborers.

Mr. Hightower's mission: *"To continue my growth and experience in the field of construction management and to utilize the skills and training to compliment the success that a company achieves."*

A modern, multi-story brick building with large, dark-framed windows. The building is surrounded by a paved courtyard with some greenery and a bench. The sky is clear and blue.
